Hello again! We were right about the fluidity of the COVID-19 situation. Just a short time ago, Governor Greg Abbott issued an executive order to close all Texas schools through 11:59 pm, on Friday, April 3rd. Gholson ISD Administration will determine our plan going forward and communicate information later next week. I would expect that we will follow a similar process as what was outlined in an email to all parents earlier today around 9:30am. If you did not receive this email, the information is also on our website (www.gholsonisd.org).

Just as a reminder, all GISD facilities (including the playground and outdoor basketball court) are closed. We know that a lot of our students enjoy those facilities; however, it is imperative that our students stay home during this shutdown. Prom will be cancelled on April 4th and we are still trying to reschedule for another day. Also, we are working with our on-line provider for Spanish I and II to determine how to proceed with those required credits.

Since our shutdown has been extended, if your family is unable to take advantage of our meal service due to transportation issues, please let us know by sending a message to office@gholsonisd.net. In the meantime, please let the students know that we are thinking about them and stay tuned to more information next week.
